	0	35	56	75	90 100
(All values are in %)					
Subjects	Skills				Grade
GLOBAL PERSPECTIVE	Listens to others in class discussions and responds with relevant ideas and questions				-
	Talks about what has been learned during activity and considers how personal ideas have changed				-
	Locates relevant information and answers to questions within sources provided.				-
TECHNOLOGY	Computer systems and technology process				
	Demonstrates the ability to perform a variety of tasks:				A+
	Navigates a program/application by using either the menus or icons				A+
	Opens and closes a program/application from an icon				A+
	Uses the keyboard to type simple sentences and paragraphs (using capital and lower case)				A+
	Research and problem solving				
	Uses basic technology based vocabulary				A+
	Applies knowledge and skill of other disciplines to solve problems				A
	Digital Citizenship				
	Demonstrates respect for the rights and privacy of others when using computers				A+
Practises internet safety procedures involving sharing personal information and passwords				A+	
PHYSICAL EDUCATION	Demonstrates flexibility while performing bends and stretches like (Rocking Horse and Peanut Butter & Jelly)				A
	Able to dribble the ball in a stationary position				A
	Able to dribble the ball while moving around.				A
	Demonstrates flexibility and strength while performing Yosgasana(Warrior Pose)				B+
VISUAL ARTS	Skills and processes (understanding and making connections)				
	Participates actively in artistic learning experiences				A+
	Asks relevant questions and contributes to discussions in art learning experiences				A
	Examines and experiments with the techniques of famous artists to recreate their art				A
	Is adventurous and tries new things (Responsible Risk-Taker)				A+
	Applies art to communicate experiences, feelings, emotions and ideas				A+
	Identifies connections between art and other disciplines (English, Mathematics, and Environmental Science, etc.)				A+
	Art Ideas (Creating, Making and Presenting)				
Explores and applies the Elements and Principles of Art & Design to conceptualise and generate artistic ideas and work: colours, lines, shapes, forms, space, texture, value & pattern, balance, variety, unity, contrast, proportion & repetition				A+	

Volume 3 (2024-2025)

SCHOLASTIC SUBJECT SKILLS

Subjects	Skills	Grade
VISUAL ARTS	Creates a piece of Art work that shows bilateral symmetry	A
	Uses a variety of art media, tools, materials, techniques and processes	A
	Responses (perceiving, reflecting and evaluating)	
	Applies theoretical knowledge into practical usage	A
	Reflects upon, describes, interprets and evaluates art work (of self and peers - appreciation and critiquing)	B+
	Uses vocabulary (related to media, techniques, processes, tools) to describe artwork	A
	Display creativity, originality and clarity of themes	A+
FOOTBALL	Conditioning Area	
	Coordination	A
	Agility	A
	Endurance	A
	Speed	A
	Dribbling	A
	Control / Passing	A
	Tactical Cognitive Area	
	Supports	-
	Game Understanding	A
	Social Affective Area	
	Cooperation	-
	Team Work	-
	Commitment	A
Discipline	A	
TAEKWONDO	Demonstrates self discipline	A
	Demonstrates flexibility during stretching exercises	A+
	Performs kicks like front kick, side kick and roundhouse kick.	A
	Performs blocking techniques like face, chest and knee block.	B+
	Performs proper stances like attention stance, ready stance and horse stance.	A
BHARATNATYAM	Demonstrates neatness of body movements, stance and position (Anga Shuddham)	A
	Demonstrates a sense of rhythm	A+
	Follows instructions (check on grasping skills)	A
	Demonstrates self discipline	A+

Volume 3 (2024-2025)

SCHOLASTIC SUBJECT SKILLS

(All values are in %)

Subjects	Skills	Grade
BHARATNATYAM	Displays interest towards the form of nrutya	A
INDIAN MUSIC	Participates in singing with enthusiasm	A
	Understands Shruthi (pitch)	A
	Adheres to the tune in terms of Swarasthanas	A
	Understands Taal or rhythm structure	A
	Sings in a given Taal and Tempo	A
	Displays willingness to work towards perfecting the tune, rhythm and lyrics.	A
WESTERN MUSIC	Open and appreciative to all genres of music	A+
	Disciplined in class	A+
	Performs actively in class	A+
	Sings in group loudly and softly (understands dynamics)	A+
	Understands and executes group percussion exercises (timing)	A
	Sings in different scales (understands scales and pitching)	A
SPEECH AND DRAMA	Distinct expression of emotions during poetry recitation.	A+
	Clear speech, pronunciation, pace and volume during recitation	B+
	Use of appropriate body language and engagement through movement	B+
	Displays a reflective understanding of the meaning of the chosen poem.	B+
CENTRE OF IMPACT (MASS MEDIA)	Proactive in communication	A+
	Listens and comprehends well	A+
	Comes up with creative ideas	A+
	Presents with confidence on microphone	A+
CHESS	Skill Improvement	-
	Knowledge Acquisition	-
	Game Performance	-
	Critical Thinking	-
	Confidence & Self Esteem	-
MAKERS LAB	Explaining how the energy from a swinging ball is transferred to the others in Newton's Cradle.	B+

Volume 3 (2024-2025)

SCHOLASTIC SUBJECT SKILLS		
0 35 56 75 90 100 (All values are in %)		
Subjects	Skills	Grade
MAKERS LAB	Identifying that when one ball is lifted and released, it causes the opposite ball to move.	B+
	Manipulate the Newton's Cradle by lifting and releasing balls to observe the effects of different actions.	B+
	Explore and test their predictions by varying how many balls they lift or the height from which they release them.	B+
