Over the two exciting days, the grounds were transformed into a vibrant carnival filled with colourful rides, thrilling games and a wide variety of delicious food stalls that catered to everyone's tastes. reconnecting with old friends and teachers, which made the event even more enjoyable and meaningful.

REPUBLIC DAY 2026

Our school celebrated Republic Day with great pride and enthusiasm on 26th January. The program began with the hoisting of the National Flag by the Principal,

followed by the National Anthem and a drill, filling everyone with a sense of unity and patriotism. Students actively participated in various cultural events such as singing and dancing to patriotic songs, delivering speeches and reciting poems in Hindi, English and Marathi which showcased the rich heritage of our nation and the sacrifice of our freedom fighters. The performances were inspiring and were appreciated by all present. The Principal then addressed the students, highlighting the importance of the Indian Constitution and the duties of responsible citizens and spoke about the theme of this year “150 Years of Vande Mataram”. The programme concluded with the students singing the National song of India Vande Mataram.

A Peek into our Neighbourhood

To add an interesting twist to learning more about our neighbouring countries, the students of grade 5 worked in groups to put up colourful presentations. The students used different modes of presentation- PowerPoint, charts, props, quizzes, audio-visuals to highlight the culture, dialect, cuisines, songs, dances, clothing and tourist attractions of our neighbours. It served as an enriching experience with children 'learning by doing' and also building the skill of both giving and accepting meaningful and constructive feedback.
